LA JOLLA TENNIS ACADEMY

Created in 2015, the La Jolla Tennis Academy has quickly become the standard for youth tennis in La Jolla, California.

We offer classes year-round for students ages 4-18. These classes focus on technical, tactical, and competitive improvement, while maintaining a fun, creative environment.

Our Director of Youth Tennis, Michael Bucher, will personally handle your inquiries. Call or email him with your questions on schedule, cost, availability and the LJTA approach.
